V. New Business:

- a) How do we get the same benefits for middle school kids as we do for high school students when it comes to sports. The middle school is not getting the same communication support. Like there is a disconnect between the ranks. This has been happening for a number of years now. Middle school Cheerleading (for example) is having difficulty in finding a spot to practice. Even while cost is half of what High school students pay, they are not getting their money's worth. This is not a positive experience for them. Should there be a Middle school Athletic Director to help with these issues?
- b) Potential Date Feb 1st. for Pancake breakfast. Met with Karen Dominguez to discuss what it is all about. Willing to help providing we can get volunteers.

VI. Other Business:

- a) (This was sent to me in an email after the PA meeting and was not discussed in PA)
The G-Octa outing which is to replace STLF did change the dates of the trip to March 21-25 to better accommodate those that participate in the Spring Musical.

VII. Adjournment: The meeting was adjourned at 7:15 pm.

Next Meeting Wed Jan 9th with Principle Hunt
