

## Louise Huennekens Family Scholarship

Louise Huennekens was a widow who sent seven children through St. Catherine's High School. As a single parent, she valued the Catholic education her children received at SCHS and made the sacrifices necessary to achieve that goal. The love and nurturing of family was the driving force in her life. The Louise Huennekens Family Scholarship Fund was established by her family to honor her memory and to assist an eligible single-parent family who values a quality Christian education.

This \$1,500 scholarship, to be used towards tuition, will be awarded initially to an incoming freshman who is the child of a single parent. However, this is a **renewable award for up to four years**, assuming that the winner maintains his or her eligibility.
